

Born in adversity, abandoned, adopted by an Alcoholic, chided and belittled into sin and rebellion. My life has been anything but easy and my response was speeding down a highway to hell and destruction. As my rebellion reached its peak, I was lost in addiction, emotional pain and depression and pursuing an elusive dream to be a rock star. No matter what I did it ended in failure. Death, Hell and the Grave were at my doorstep as I buckled under the weight of my own demons. A string of events drove me to my knees and God delivered me from myself. He then cleaned me up, gave me hope and a purpose, and made all things new. I never liked religion and religion is not what I got. I received forgiveness for all my sin and received the indwelling of the Holy Spirit. The result was what I call The Ride of my Life as God worked miracles, signs and wonders before my very eyes. Maybe you are facing dire circumstances, bound up in addiction and sin and seeking to loose yourself from your chains? If so, this is testimony of my personal deliverance and of Gods Grace and patience with a man set on destruction. Even if you are already a child of God facing difficult circumstances this book offers hope in tribulation. May God Bless you on your Broken Road and lead you to redemption.
