

The 2007 African Statistical Yearbook, the twenty-fifth issue, is published in one volume, and presents data arranged on a country basis for 53 Economic Commission for Africa Member States, generally for the years 1998 to 2006 or for the most recent nine years for which data are available. Published in English and French, it covers a broad range of statistics including population, national accounts, agriculture, industry, transport and communication, tourism, foreign trade, prices, finance, and social statistics.
