

Part of a series of hiking guides for the Appalachian Trail. These guides are broken down by sections to make it easier for you to plan your Appalachian Trail adventure. No big books to carry, no big bulky maps to unfold & fold. This section of the Appalachian Trail in New Jersey is the first part of the AT in the state for north bound thru hikers. This section begins as the trail follows the I-80 Bridge over the Delaware River, then ascending to the ridge of Kittatinny Mountain. This section ends at Camp Road, east of the scenic Sunfish Pond. Be sure to check out our many other hiking guides.
