

Need to jump start your prayer life? These are written prayers for men taken directly from the Gospel of Luke. They are designed to help men pray for themselves, their wives and their children. The prayers and scripture verses provide a framework to help men get out of a prayer rut and prayer faith filled prayers that get answered. For those ready for a leap forward in their praying, this could be the answer. The book is written from my years of writing prayers and praying Gods word back to him.
