

Excerpt from Course of Lectures Delivered by Officers of the Department of Agriculture, During the Year 1891, in the Working Mens College, Melbourne The following course of Lectures was delivered in the Working Mens College, with the object of creating in the minds of dwellers in the metropolis an interest in Agriculture and kindred subjects. All the lectures were well attended, and great attention was given by the hearers to the subjects of the lectures. As the subjects are of interest to others than persons residing in Melbourne and its suburbs, the lectures have been printed by direction of the Minister of Agriculture, on the suggestion of the Committee of the Working Mens College. Copies may be obtained gratis, on application to the undersigned. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
