

Hello, the following songs and poems are originals written myself over the last several years. Love Changes Everything: A Journey of Change is just that. I was one person and changed into another. The songs here show that evolution of negativity transforming into positivity. Through finding Gods Salvation. These subjects of these poems/songs include: Religion, Environmental issues, Music, and general life studies. I am publishing this book, to fund the production of a series of albums. I try to write at least one song per week. And in doing so these books will have several volumes, just as the albums eventually will. this First Book has two separate volumes within it. Rather than using crowd-funding which could work, I decided this is the best way to crowd fund. By purchasing this book, you get to see the lyrics before they become the songs.
