

Love Circle â€“ Relationship Lessons Learned and Shared contains stories of relationships that ultimately drew Mr. Robert â€“Debonaireâ€™™ Treadwell to understanding what â€“True Loveâ€™™ is and what it means to be a â€“Real Manâ€™™ that is able to love a â€“Real Womanâ€™™. Husband, Father, Pastor, Author and Musical Artist Robert Debonaire shares in this new book the many relationship lessons learned, which helps him succeed in his marriage of 21 years. The results of these lessons allow him to speak with compassion to others with hopes that they can enjoy relationships of the same caliber. Love Circle is a metaphor describing the love relationships people have throughout the course of life. This world contains different people, cultures and dialects but the common denominator for every person who has walked the face of this earth is the desire to love and be loved. According to Mr. Treadwell, life itself is the big â€“Love Circleâ€™™ and while on the journey people express or experience love in broad or narrow strokes. Each relationship of love rather parental, kinship, and/or romantic takes its course on the love circle of life. God has blessed Robert Debonaire to express his love circle through this book and the album â€œLove Circleâ€”Experiencing the Many Degrees of Loveâ€•, being released soon. In an excerpt from the book Robert shares, â€œI have only been in love once in my life. There were women I loved, cared for tremendously or was in lust. This book addresses the various feelings I had over the course of my relationships. This book is not a â€“tell allâ€™™ book. It only shares stories that provided a fundamental thinking for the songs with which they correlate. More importantly, the intention for this book is to share the lessons learned from a life-style such as mine. My road map to figuring this out was bumpy. As I shared and made absolutely clear with the many people my wife and I counseled, Iâ€™™m not an expert on relationships. Iâ€™™m still a work in progress. However, Iâ€™™m moving forward, striving to do the right thing by utilizing Godâ€™™s Word as my guide in conjunction with what I learned through my life experiences. That is why each chapter concludes with a Love Circle Message. Mr. Robert D. Treadwell III believes that if people would actually become transparent and share their relationship failures and successes maybe more people will know and experience the joys of their own Love Circle relationships. Love Circle is his attempt to start such a dialog.
