

Lord, You said, All things work together for good... so let me see, hear and find You in all things as I journey through life. My Muse is a collection of poetry & prose inspired by answers to that specific prayer. Written over the span of fifteen years through seasons of joy and sorrow, laughter and tears, abundance and lack, confidence and discouragement, peace and frustration, love and heartbreak, life and death, quiet reflection and national outcries, its message is one of faith, love and hope. Author LaQuinta R. Pollard is like a tree planted by a river - her roots run deep. She is a minister, missionary, singer, songwriter, recording artist, and orator. As founder of WITH MY WHOLE HEART MINISTRIES (r) and as a member of Promiseland Church in Austin, Texas, she enjoys serving and leading people in worship and the Word of God. She loves reading, writing, sports, quiet walks in the park, and spending time with her family. She is also the proud mother of one adult son, who is currently serving in the United States Army.

As a verb, to muse is to consider something thoughtfully. As a noun, it means a person "especially a woman" who is a source of artistic inspiration. In mythology, the Muses were nine goddesses who symbolized the arts and sciences. Today, a muse is a person who serves as an artist's inspiration. My Muse, Indianapolis, IN. likes.
