

One Coin is Never Enough presents an upbeat, friendly analysis that is a celebration of the collector. Emphasis is placed on the venerable skills that collectors need to cultivate to get started. Michael S. Shutty Jr., Ph.D. introduces the idea that coins are transformed into something special when numismatists choose to collect them. In this way, the collector is placed front and center. Michael uses the term marvelous to capture the allure that coins have for sharing secrets about the past—but here again, he gives coin collectors all the credit for telling their stories. This is a unique approach in numismatic writing, as more often than not, the coins are given precedence! After reading this book, you will realize that it is the other way around. What better way is there to get started or re-invigorated with collecting coins?

Telekinesis for Beginners: The Ultimate Guide to Moving Objects and Unleashing the Full Potential of Your Mind, Konyvtervezes Konyvmuveszet; Konyvtervezes Konyvmuveszet; Hungarian Book Design, Die Lederarten und deren Herstellung (Handbuch der Gerbereichemie und Lederfabrikation) (German Edition), Telephone Pirates: The 99% True Confession of a Reformed Telemarketer, The Big Engine That Didnt, Child Abuse, Where to Watch Birds in Africa (Where to Watch Birds), Understanding Organizational Behavior: A Managerial Viewpoint,
