

In a world where shape shifters are openly bisexual, vampires have insatiable sex drives, and warlocks emit pheromones, warlock Zander Knight struggles to make sense of his own strict upbringing. Everything in Zander's world changes the night he decides to break the rules and meet on-line chat buddy Giovanni at supernatural hot spot Club Arcane. Suddenly, he finds himself face to face with a magical conspiracy, a huge family secret, and the most handsome man he's ever seen. Zander's night of drinking and partying comes to a screeching halt when the club is attacked and several magicals are abducted and murdered. Zander is catapulted into the middle of a quest to find who or what is killing supernaturals, while sorting through his feelings for a fearsome shape shifter prince named Tau Long. Born into a conservative magical family, Zander decides not to tell them he's gay. Unfortunately, Zander isn't the only one in his family keeping secrets. This is more than just one warlock's love story -- this is a supernatural adventure.
