

A brain-bursting sci-fi thrill ride from the mind of Curt Pires! The Future: art is illegal. Everything everyone ever posted online has been weaponized against them. The reign of The Corporation is quickly becoming as absolute as it is brutal--unless The Tomorrows can stop it. Artists, terrorists, they fight with explosives, they fight with ideas, they fight to reclaim the future we sold. Collects issues #1-6, the complete first volume of Pires mind-bending series, each issue illustrated by a different artist!
