

Plant, pick, prepare and preserve! Is there anything better than biting into a juicy, zesty, plump tomato in the prime of summer? It is such a delicious burst of flavour and incredibly versatile. In this book, I will help you grow the biggest, juiciest tomatoes ever. I will share best planting methods, pest and disease control and my favourite recipes for using fresh tomatoes. And since you will have more tomatoes than you know what to do with, I will show you ways to preserve them so they can be enjoyed throughout the year. Plus I have included fun tomato facts that will put a smile on your face.
